**10AM-12PM or 12PM-2PM**

## WHERE

**A location in Bradford - to be confirmed**

**know.**

**and is funded by the European Social Fund and The National Lottery**  
**Community Fund.**

**A Touchstone group will be invited to a creative writing workshop to explore issues that are of interest or concern to them, or tell their own stories through poetry and prose (no experience at all needed!). The group will then create a phrase which they will print in the second workshop. At the printing workshop the group will make the physical prints of giant letters, 1.5 metres tall, which will be used to spell out their phrase as a giant mural. The phrase will then be displayed in a public place in Bradford. A copy of this will then be ultimately used as part of a very large public exhibition, around June 2022 in the Bradford district, and with a possible future UK tour.**

**Much of the creative writing produced by the different groups involved in the project will be included in a zine, to be distributed for free to participants and around the Bradford district.**
